

ED CAMP- HACKATHON AT ROWLAND HALL

JUNE 16, 9 - 3

870 E. 900 S.

**Free
Registration!**
Lunch Provided

What it is:

- Spend the day designing, coding and building a project of your choice.
- Discuss ways to foster maker education in Salt Lake and curriculum design for computer science and making.

We will explore:

- Arduinos
- Raspberry Pi
- Makey Makey
- 3D Printing
- Robotics
- Coding
- MIT App Inventor
- Lego NXT/ EV3
- Little Bits
- Wearable Tech
- Stop Motion
- Circuits & soldering
- Wood Working
- Low Tech Construction

Who we are:

Tech coordinators,
Tech teachers,
& Makers,
from Elementary - High
School

The Future:

Work to promote a Hacker-
faire for students in the
Salt Lake area and
encourage our students to
make.
