

**Information Sheet**  
**Summer Code Camp**

Utah State University  
Thursday July 11, 2013

**Date/Time**

- 9 am – 4 pm
- Thursday July 11, 2013

**Location**

Engineering Building, Room 307 (ENGR 307), Utah State University, Logan, UT ([campus map](#))

**Parking**

Park in the public visitor parking on either the Aggie Parking Terrace (AGPT; on 700 East) or the Big Blue Parking Terrace (on 700 N; [campus map](#), check Visitor Parking at the left). From either location, it's about a 10 minute walk to the ENGR building. We will give you tokens during the day to pay for parking when you leave.

**Carpooling and Driving Directions**

Use the [Google Doc](#) if you are looking for a ride to Logan or can offer another participant a ride. Driving directions to Logan and USU are [here](#).

**What You Need to Bring**

Actually, nothing, except yourself! We will provide all the computers, software, food, snacks, and other materials you will need for the camp. However, should you desire to bring your own computer (Mac, Windows, or Linux), you can but make sure to install ahead of time and have ready to use the following software:

- Python version 2.7.5 (<http://www.python.org/getit/>)
- Sublime Text (<http://www.sublimetext.com/>)
- Excel 2010, or more recent
- A wireless connection to access the internet

**Further Questions**

Contact either:

Dr. David E. Rosenberg  
435-797-8689  
[david.rosenberg@usu.edu](mailto:david.rosenberg@usu.edu)

Dr. Jeffery Horsburgh  
(435) 797-2946  
[jeff.horsburgh@usu.edu](mailto:jeff.horsburgh@usu.edu)

We look forward to seeing you on July 11!
